UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON

SAFETY STAR, LLC., a Missouri limited  
liability company,

Plaintiff,

vs.

APTIBYTE, LLC, a Washington limited liability  
company,

Defendant.

Case No. 2:23-CV-01399

UNOPPOSED MOTION TO ACCEPT  
LATE AND CORRECTED FILING

Same Day Motion May 5, 2025

Plaintiff Safety Star, LLC (“Plaintiff”), by and through its attorneys, files this Unopposed Motion to Accept the Amended Complaint against Defendant Aptibyte LLC, (“Defendant”). Through a calendaring error, Plaintiff filed the Amended Complaint at Dkt. No. 34 one day after this Court ordered “[a]ny amended complaint must be submitted within 21 days of this order.” Order, Dkt. No. 33 p. 12 (issued on April 8, 2025). Upon additional review of this court’s order,

UNOPPOSED MOTION TO  
ACCEPT LATE FILING

1 Plaintiff also realized that allegations of vicarious infringement were inadvertently left in the  
 2 Amended Complaint. The parties discussed both issues, and Defendant has indicated it will not  
 3 oppose a late filing that removes allegations of vicarious infringement. The parties further  
 4 discussed and agreed that Defendant's response to the Corrected Amended Complaint shall be due  
 5 within 14 days of the Court's Order accepting the filing of the Corrected Amended Complaint.

6 Thus, Plaintiff respectfully requests that this Court accept the attached Corrected Amended  
 7 Complaint. A Notice of Praeclipe is also forthcoming.

8 DATED May 6, 2025.
